</tr>
</tbody>
</table>

**NOTE:** Add W (White) suffix to catalog number for White grille. Example: FSSWH2004W

### THERMOSTAT DISPLAY

- **Days of week**
  - Group 1 (Mon to Fri)
  - Group 2 (Sat & Sun)

- **Time of day**
  - This area is also used when programming custom periods

- **Ambient temperature**

- **Fan operation**

- **Automatic Mode**

- **Hold function**

- **Up icon**

- **Down icon**

- **On / Off icon**

- **Mode icon**

- **Centigrade Setting**

- **Fahrenheit Setting**

- **Tamper proof setting**

- **Proportional heat control indicator**

- **Night light indicator**

### FEATURES

- Heater automatically adjusts wattage output and blower speed resulting in whisper quiet operation for optimum comfort.

- Heating element is heavy duty non-glowing steel fins brazed to steel sheathed tubular elements in a grid pattern that covers the entire discharge area.

- Built-in fan delay operates when unit is turned off after heating to prolong element life.

- 5/2 day electronic programmable built-in thermostat adaptable to fit any life-style while providing energy savings and precise temperature performance.

- Easy to use LED touch screen operation.

- Convenient remote control included.

- Contemporary, clean design with night light feature complements any decor.

- Designed for easy installation. Heater is mounted prior to wiring. Both hands are free to make field connections in roomy compartment.

- This heater is designed for installation in 2 x 4 frame or larger wall sections using the wall box provided.

- The heater may be wired with standard building wire (60°C). Refer to specification chart for correct supply voltage and wire size.

### HEATER REMOTE

An easy to use remote control is included to provide convenient heat and power adjustment from up to 12 feet away. Heater must be in direct line of sight to operate correctly. Unit can be controlled with or without remote control.

### MOUNTING LIMITATIONS

Do not install heater closer than 12" to the floor, 12" to an adjacent wall, 36" to the ceiling.

Do not install heater behind towel rack or door, upside down or sideways, in the floor, ceiling, or in closets.
