White

- › Contemporary look and compact size ideal for new residential or commercial installations where space is limited
- › Patented CLIP-N-FIT® feature allows installer to change the desired wattage output without moving the jumper wire
- › Dual Protection: self-hold limit to protect against overheating, with a one-time thermal fuse backup
- › Dual voltage and wattage ratings help reduce inventory levels
- › Heater/Fan Assembly fits into back box with a single screw for quick installation and easy service
- › Built-in double-pole thermostat with positive OFF position, or a remote, wall mounted thermostat provides localized room control
- › Multi-layer impeller provides quiet operation
