#### *Ideal Spaces:*

Bedrooms  
Living/Family Room  
Kitchens  
Basements  
Offices  
Conference Rooms  
Lobbies  
Waiting Rooms

Beige

- › 120V power cord: ready for in-home use
- › Convection heat minimizes air flow, reducing flow of bacteria and dust
- › Maintains individual room temperature to provide heat only in the places you want
- › Large element reservoir maximizes volume of heat storage fluid for prolonged comfort
- › Gentle heat continues to radiate even after the thermostat turns off due to the hydronic elements retention qualities
- › High-impact Lexan® and steel unitized body resists dents, scratches and rust
- › Linear high-temperature safety cutout will automatically shut off unit in event of air blockage
- › Tip-over switch prevents heater from operating if knocked over
- › Heavy-duty welded steel louvered grilles discourage insertion of foreign objects
- › Automatic thermostat maintains desired comfort level; 120V-ready for in-home use
- › Tuck-Away carrying handle out of sight when not in use
