Basements
Living/Family Room
Bedrooms

White

Bronze

Built with both durability and aesthetics in mind, the CWH1000 series heaters offer a lot, in a small package. Whether a waiting room, small stairwell, office, or basement, this unit offers extra warmth, robust construction, and aesthetic appeal to meet the needs of your building's occupants.

- › **Aesthetic Appeal**—This series comes with two different grille finishes that will fit the space's design, while optimizing airflow.
- › **Maintenance Made Easy**—The heater comes equipped with a simple on/off switch, so it can be completely turned off for easy servicing and routine maintenance.
- › **Delay Operation**—This wall heater has a fan delay feature that waits until the unit warms up to begin blowing air into the room. The fan keeps operating until the unit cools down, so you get maximum heating performance.
- › **Easy Temperature Adjustment**—With an integral thermostat included, this wall heater can quickly and easily be set to maintain your ideal comfort level.
- › **Perpetual Protection**—This wall heater features a permanently lubricated fan motor, so it will be ready for long-term operation with little required maintenance.
